

Newcomb Tulane College Honors Program

Honors Thesis First Progress Report

Students should submit to their three readers a draft of a chapter or equivalent portion of the thesis. In most cases, this should be at least 10-15 pages. This form is to be signed by the three readers, to signify their approval of the work-in-progress. If necessary, you may make copies of this form and have each reader sign a separate form. The signed form and the chapter are to be submitted to the Honors Program office by **4:00 pm on Wednesday, November 13, 2019.**

Name of student _____

Major or majors for which this is being written _____

Title of thesis _____

For faculty readers:

If you have questions about this progress report or the thesis process in general, please contact the Director of the Honors Program at 865-5517 or cmaheu@tulane.edu.

I have read the attached draft portion of this student's honors thesis, and I am satisfied that the student is making sufficient progress on the thesis at this time.
