

Newcomb-Tulane College Honors Program

Honors Thesis Oral Defense Report

Name of student _____

Major or majors for which thesis is being written _____

Title of thesis _____

Date of oral examination _____

Performance was rated by the thesis committee as follows:

1) **Pass As Is** (With or without suggestions for additional revisions) _____

*2) **Pass Provisionally** (Pending required revisions) _____

3) **Fail** (Rejected—Insufficient progress made) _____

*** If 2, please give a brief account of the nature of desired revisions, additions or considerations, in writing or by email to cmaheu@tulane.edu.**

Thesis committee members: please print and sign your name signifying that the student has made sufficient progress on the thesis and successfully met the expectations of the committee during the oral examination. *Please note that the committee's suggested revisions to the final written thesis should be completed before you sign the thesis title page.* In addition, please indicate if you recommend that the thesis be added to the repository of the Tulane University Digital Library for online access. Please note that this is *optional* and that a physical copy of the thesis must be deposited in the University Archives *in all circumstances*.
